**ORIGINAL**

I write you to urge you to oppose the elimination of Arizona's Energy Efficiency Standards and any reopening of Arizona's Energy Efficiency Rules. These Standards are working to lower utility bills for me and my neighbors and make Arizona an affordable place to live and work.

Dear Commissioners / Chairpersons,

I am a registered voter, AZ resident & utility customer.

I am concerned w reopening the AZ Energy Efficiency rules! Why go backwards, risk AZ jobs, our leadership position, etc?

Please look toward our future and support the Energy Standards adopted in 2010.

I am confident you will do the right thing for Arizona and our state's economy. Please continue to support the Energy Efficiency Standards adopted in 2010.

Thank you,

Lisa Costello
